- ☐ **Time and Materials.** All work performed on a time and materials basis and shall be priced in accordance with BIOREMEDIY's Time and Materials Rate Schedule attached hereto as Attachment 2 and incorporated herein ("Rate Schedule") and shall be subject to the conditions and limitations set forth in the Rate Schedule and Contract. Time and Materials pricing shall not include any guaranteed maximum nor exceed limitations unless specifically agreed to in writing and signed by all the parties.

☐ **Lump Sum.** All work described above shall be performed for the sum of \$ _____, which sum shall be subject to adjustments as hereinafter provided in this section 2.

☐ **Attached Proposal.** All work described above shall be priced in accordance with BIOREMEDIY's Scope of Work/Proposal dated a copy of which is attached hereto as Attachment 1 ("Proposal")

In the event any changes in the Work or performance are requested or should BIOREMEDIY be delayed or interrupted in its performance of the Work due to circumstances beyond its control, the Price stated above shall be subject to equitable adjustment for the costs associated with such changes, delays or interruptions, plus reasonable overhead and profit thereon.

Price specified herein does not include any state and/or local sales or use taxes on the Work or services performed, unless specifically stated in a Proposal. - 3) **Invoicing and Payment** Customer shall pay Price upon receipt of an invoice from BIOREMEDIY or as agreed in Proposal. BIOREMEDIY may require advance payment or deposit prior to beginning Work. In the event completed of Work may take more than one week, the BIOREMEDIY may require progress payments in the amount and on a schedule deemed appropriate by BIOREMEDIY. Progress payments may be based upon i) labor, material and equipment used during a period; ii) portion of Work completed during the prior week; iii) percentage of completion; iv) benchmarks (dates, completed projects, etc.; v) set dates, etc. If Customer fails to timely make any portion of payment when due, then BIOREMEDIY shall have the right to halt WORK, and any schedules or deadlines for performance for Work shall be extended by the time period that payment has been delayed.

Payments shall be in U.S. Dollars on U.S. Bank account with sufficient funds. Customer shall review all invoices and that portion of the Work covered by the invoice within ten (10) days of delivery of the invoice and notify BIOREMEDIY in writing of any exceptions deficiencies or disputes in the Work performed, invoice or related documents within that time. Customer's notice of any exceptions, deficiencies or disputes as to the Work or Invoice shall specify any basis for the exceptions, deficiencies or disputes and actions requested to remedy same.

To secure payment, Customer hereby directs its insurance carrier to pay directly to BIOREMEDIY (excluding Customer's name from the draft) any balance due for Work. Customer authorizes BIOREMEDIY to submit all invoices directly to Customer's insurance company or its representative or adjuster, where insurance coverage has been identified. Customer shall remain primarily and fully responsible for payment of all sums owed to BIOREMEDIY for any services provided and not paid by Customer's insurance. If any such change causes an increase or decrease in the cost of or the time required for the performance of any service under the Work, whether changed or not changed, an equitable adjustment shall be made in Price and/or delivery schedule. The parties agree to memorialize this modification to writing and execute same. BIOREMEDIATION shall notify Customer within ten (10) days of receipt of such change or modification of any adjustment in Price. Any change in this Contract shall be made pursuant to this Contract.

7) **Warranties and Correction of Work and Remedies**

- a) BIOREMEDIATION shall provide all Work in a workmanlike manner with the care, skill, diligence, professional knowledge, judgment, and expertise, according to the Scope of Work or if not specified in the Scope of Work, then according to standard practices and procedures used at the time by BIOREMEDIATION, or industry standards in the area around the Project. BIOREMEDIATION warrants and represents that all products and services provided or installed by BIOREMEDIATION shall: (i) not violate any patent, copyright, trade secret, or other proprietary interests; and (ii) otherwise fully conform to the description or Statement of Work in this Contract. Customer's exclusive remedies in connection with the Work or any breach of contract or warranty concerning the Work on this Project shall be (i) correction of the portion of the Work not acceptable by repair, adjustment or re-service of Work, or at BIOREMEDIATION's option (ii) refund of sums paid by Customer for that portion of the Work which is defective or not as warranted or agreed, but such amount shall not exceed the total amount paid BIOREMEDIATION for the work. THIS LIMITED WARRANTY AND REMEDY IS EXCLUSIVE AND IS IN LIEU OF ALL OTHER REMEDIES AND WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTY OF MERCHANT ABILITY, HABITABILITY, WORKMANSHIP FOR ANY PARTICULAR PURPOSE, ALL OF WHICH ARE HEREBY DENIED BY BIOREMEDIATION AND WAIVED BY CUSTOMER, EXCEPT AS EXPRESSLY SET FORTH IN THIS CONTRACT. IN NO EVENT SHALL BIOREMEDIATION, ITS OFFICERS, AGENTS, OWNERS OR EMPLOYEES BE LIABLE UNDER ANY THEORY OR REMEDY (CONTRACT, IMPLIED WARRANTY, TORT, NEGLIGENCE, STRICT LIABILITY OR OTHER LEGAL OR EQUITABLE THEORY) FOR ANY PUNITIVE OR EXEMPLARY DAMAGES AND/OR ANTICIPATED OR LOST PROFITS; INCIDENTAL OR CONSEQUENTIAL LOSS, DAMAGES OR EXPENSE WHICH ARISE FROM OR IN CONNECTION WITH THE WORK, CONTRACT, WARRANTY OR ANY SERVICES PERFORMED BY BIOREMEDIATION. CUSTOMER AGREES TO BE FULLY RESPONSIBLE FOR COMPLYING WITH ALL HAZARDOUS WASTE GENERATOR REGULATIONS.

"Material defects" as used in the agreement shall mean problems with the materials or services performed which are readily visible and not acceptable to a reasonable tradesman in the business.

- b) BIOREMEDIATION shall have no responsibility for any conditions or contaminants on the location prior to the performance of Work, including any defective, pre-existing, concealed, hidden or not visible conditions. As a condition to bringing suit to enforce BIOREMEDIATION's obligations hereunder, Customer must give BIOREMEDIATION written notice of any breach or failure of BIOREMEDIATION within 30 days of its discovery. This warranty shall terminate and be of no further force or effect in the event Customer or any person or entity other than BIOREMEDIATION attempts or undertakes to remedy any of the Work claimed to be not as warranted or represented without first giving BIOREMEDIATION written notice of such claim and a reasonable opportunity to correct same.
- c) Inspection of Work. Customer agrees to inspect Work upon its completion or any segment thereof and agrees to notify BIOREMEDIATION in writing of any claim, damage, defects, deficiencies, or failures in performance as soon as possible, but in no event later than 30 days of its discovery. This warranty shall terminate and be of no further force or effect in the event Customer or any person or entity other than BIOREMEDIATION attempts or undertakes to remedy any of the Work claimed to be not as warranted or represented without first giving BIOREMEDIATION written notice of such claim and reasonable opportunity to correct same.

8) **Safety and Security** Customer shall be responsible for the safety and security of its property during the time BIOREMEDIATION is performing its Work. BIOREMEDIATION shall be responsible for initiating, maintaining and supervising all safety precautions and programs for its employees and subcontractors. If possible, BIOREMEDIATION shall carry out work in a manner that will minimize disruption of activities of Customer in other areas of property not a part of the Project.

9) **Defaults and Termination**

- a) Termination without cause. Without prejudice to any other rights or remedies, Customer may immediately terminate all or any part of Contract for its convenience upon written notice to BIOREMEDIATION, in which case BIOREMEDIATION shall be paid in full for all services performed, including the percentage of the Price reflecting the percentage of equipment, materials or services provided or performed prior to notice of termination, plus costs resulting from Customer's termination. The foregoing amounts shall also include equipment, material or services provided by BIOREMEDIATION in termination of Work. In the event of such termination, BIOREMEDIATION shall stop all work in a safe and expeditious manner so as not to unreasonably damage or risk any portion of the Work completed. Customer shall be liable or obligated to pay for all equipment, materials or services provided or performed up until the work is stopped, including any costs incurred in demobilization by BIOREMEDIATION and any supplies, fabrications or materials already ordered which cannot be returned to any suppliers or subcontractors. In addition, BIOREMEDIATION shall be entitled to receive a reasonable profit on the job due to lost opportunities of other projects not taken.
- b) Termination for Cause. In the event either party (i) becomes bankrupt or otherwise insolvent, (ii) commences or becomes the object of any proceeding involving that party's insolvency, bankruptcy, reorganization, dissolution, liquidation, or any similar proceeding for the relief of financially distressed debtors, or (iii) fails in any material way to perform any of the obligations under this contract, or so fails to make progress as to endanger such performance and does not cure such failure within a reasonable time of written notification by Customer, then Customer may, at its sole election. By notice to BIOREMEDIATION, terminate this Contract. If terminated for cause, BIOREMEDIATION shall not be entitled to payment of any additional amounts due to termination. The rights and remedies of Customer in this clause are in addition to any other rights and remedies provided by law under this contract or otherwise.

10) **Force Majeure** BIOREMEDIATION shall not be liable for delays in the completion of the project resulting from circumstances beyond BIOREMEDIATION's reasonable control and occasioned by Customer's fault or negligence or due to compliance with any sovereign decrees, orders, acts, instructions or priority requests of any federal, state, or municipal government or any department or agency thereof, civil or military, acts of God, acts or failure to act by Customer, fires, floods, strikes, lockouts, embargos or wars. Upon the happening of any circumstance or cause aforesaid, BIOREMEDIATION shall notify Customer without delay. Any relief granted to BIOREMEDIATION shall be limited to an extension of time to complete the project to the extent the circumstance or cause delays the progress of the project.

- 11) **Severability** If any provision of the Contract is invalid or unenforceable against any person or party, the remaining provision and the applicability of such provision to other provisions or parties shall not be affected thereby. Each remaining provision of Contract shall, except as otherwise herein provided, be valid and enforceable to the fullest extent permitted by law.
- 12) **Third Party Beneficiaries** This Contract is entered into solely for the benefit of the parties hereto and shall not confer any rights upon any person or entity not a party to the Contract except for the assignment of insurance proceeds provided in Section 3.
- 13) **Confidentiality** The Parties shall not, except as necessary in the performance of this Contract or as authorized in writing by the other party, supply, disclose, or otherwise permit access at any time to any confidential information concerning or in any way related to BIOREMEDIY and Customer. Neither party shall publicize this Contract or disclose, confirm, or deny any details thereof to third parties, or use any photographs or video recording of BIOREMEDIY's property, officers, employees, or guests. Further, BIOREMEDIY and Customer acknowledge that they or their employees may, in the performance of this Contract, come into possession of proprietary or confidential information owner by or in the possession of the other. Neither party shall use any such information for its own benefit or make such information available to any person, firm, corporation, or other organization, regardless of whether directly or indirectly affiliated with BIOREMEDIY or Customer, unless (a) the disclosure is (i) required by law, (ii) required by order of any court or tribunal or (iii) necessary for the assertion of a right, or defense of an assertion of a right, by one party against the other party hereto, or (b) the information has been acquired from other sources not due to a breach of this Contract. Customer agrees not to assert any proprietary interest or claim of confidentiality regarding any of the cleaning and restoration procedures developed and used by BIOREMEDIY in the performance of Work.
- 14) **Waiver** No provision hereof may be waived except by written documentation stating such signed by the party to be bound thereby. No such written waiver shall be deemed a continuing waiver unless specifically stated therein, and each such waiver shall operate only as to the specific term or condition waived and shall not constitute a waiver of such provision. If any provision of the Contract is invalid or unenforceable against any person or party, the remaining provisions and the applicability of such provision to other provisions or parties shall not be affected thereby, and each remaining provision of Contract shall, except as otherwise herein provided, be valid and enforceable to the fullest extent permitted by law.
- 15) **Notices** Any notices required or permitted to be sent under this Contract shall be delivered by hand; mailed by registered or certified mail, return receipt requested, or faxed and confirmed by registered or certified mail to the parties set forth in the signature page or changed in accordance with this section. Mailed notice shall be deemed effective on the fourth (4th) day following the date of deposit with the U.S. Postal Service; faxed notices shall be deemed effective upon receipt by the other party, if confirmed.
- 16) **Governing Law and Forum** The parties' rights and obligations under this Contract will be governed, construed, interpreted and enforced according to the laws of the State of Texas, without regard to its laws pertaining to conflicts of laws, unless such a provision is contrary to state law where the Project is located, unless otherwise agreed in writing by both parties. Each party does hereby submit to the jurisdiction of the State of Texas.
- 17) **Dispute Procedure and Mediation** If any claims, controversies and/or disputes arise between the parties that are not settled in the normal ("Claims"), either party may upon written request invoke the procedures set forth in this section. Within ten (10) business days of either party's receipt or request, proceed accordingly to designate representatives and discuss Claims. At the meeting, each party shall disclose and provide all documents and information regarding the basis of each party's position and in good faith attempt to negotiate a resolution to Claims. If these designated representatives do not resolve the dispute, then the parties or the chief executive officers of each party shall meet along with the previously designated representative within five (5) business days of any written request for such a meeting where the parties shall negotiate in good faith. If Claims are not resolved, then both parties agree to submit the dispute to a non-binding mediation, locally, with a qualified mediator agreed upon by the parties. If the parties fail to agree on an individual mediator within five (5) days after written notice to mediate. Claims shall be submitted for mediation to the American Arbitration Association ("AAA") pursuant to AAA mediation rules in Texas. The parties agree to participate in mediation within ten (10) business days of any written request for mediation at the earliest date available to the mediator, thereafter. The parties agree to follow this procedure before filing suit to enforce any portion of Contract of Work, but the procedure set forth in the Section shall not be a condition to a party exercising any rights or remedies under this Contract, at law or in equity. Each party shall bear its own cost of all such procedures, except for compensation of the mediator or mediation service, which shall be divided equally by the parties. However, if either party refuses to comply with any of the procedures set forth herein, then that party shall be solely responsible for all additional costs or fees incurred in initiating legal proceedings.
- 18) **Limitations on Actions and Damages** No action shall be maintained by or on behalf of BIOREMEDIY against Customer upon any claim arising out of or based upon Contract, or reasons of any act, omission or requirement of Contract, unless commenced within two (2) years from the time BIOREMEDIY last performs Work under Contract or BIOREMEDIY submits its requisition for final payment, whichever is earlier. IN ADDITION, NEITHER PARTY SHALL BE LIABLE FOR ANY CONSEQUENTIAL OR INCIDENTAL DAMAGES, INCLUDING LOST PROFITS, LOST REVENUE, SAVINGS, OR ANY DIRECT, SPECIAL, INCIDENTAL, OR PUNITIVE OR EXEMPLARY DAMAGES, EVEN IF INFORMED OF THIS LIABILITY UNLESS OTHERWISE SPECIFICALLY PROVIDED IN THIS CONTRACT. Under no circumstances will BIOREMEDIY be considered a co-generator of waste.
- 19) **Multiple Counterparts and Facsimile** This Contract may be executed in separate or multiple counterparts by the parties. All such counterparts shall be considered as one and the same instrument notwithstanding the fact that various counterparts are signed by only one of the parties, and all such copies shall be considered as one and the same Contract. In addition, any true and correct photocopy, facsimile copy, scanned copy, or electronically transmitted copy (including transmission by email in PDF or other reliable electronic format) of this Contract or Contract Documents, together with any signatures on such documents transmitted by any of the parties, shall be deemed originals and may be utilized by any party for any purpose whatsoever, including any proceedings relating to the Contract or the Work. Upon request by any party, any counterpart, photocopy or facsimile copy shall be substituted with the actual signed copy or be executed by the parties without effecting the effective date or actual execution dates.
- 20) **Entire Agreement** This Contract and the following Attachments, Exhibits and other documents referenced below ("Contract Documents") comprise the completed and entire understanding and the agreement of the parties as to the Work on the Project.
